## Information

- The convenient services for the Miyama-Keihoku Bus Travel Route on the JR Sagano line and on the West JR Bus are listed.
- Due to the low number of buses, for one-day trips the best thing is to use the buses on this timetable.
- Buses (4) and (5) are special services. If there are no passengers at the time the first bus (4) departs from Shuzan (14:00), neither (4) nor (5) will be in service.
